

MEDIA RELEASEIssued: 4th September 2015**CAAA expands services and expertise through merger with Specialist Cloud Accounting Firm**

We are pleased to announce that MTK Accounting Services (MTK) has joined with the Commercial Associates Group (CAAA) adding a specialist Cloud Accounting division to the CAAA suite of existing services. CAAA has engaged this partnership to enable them to provide high quality, digital and cost efficient accounting services to their clients.

Michael Kuster, Director of MTK, said *“MTK Accounting has had exceptional growth over the last number of years. We can contribute this growth to the provision of quality service and advice to clients and our impeccable reputation within the local business community. By joining the CAAA family it will create leverage and in house access to specialist expertise in tax, audit, insurance, financial planning, business development and corporate finance which we believe will benefit our clients.”*

“CAAA has shown confidence in our business and the strength and quality of our cloud accounting services will also make an impact for CAAA clients,” he said.

Fleming Stojanovski, Group CEO, said *“Our goal of being the best advisors to private business in Australia became more achievable today. Michael Kuster and his team are undisputed leaders in cloud accounting technologies, and their addition to the CAAA family will add enormous value to our clients, and position CAAA at the forefront of this emerging evolution in accounting.”*

“Adding a director with the calibre of Michael to CAAA is quite a coup, our clients and the staff are very excited to be working with him,” said Fleming.

The merger also shows a commitment from CAAA to the Greater West, and will continue to make contribution to its development through professional service and their international reach.
